Supporting Live Music

“
*it is a great joy to have
this festival on our doorstep*”

As a charitable arts organisation, we rely on the generous support of individuals and organisations to provide financial stability, enabling us to plan into the future with confidence and vision.

Ticket sales cover only a third of the costs of producing each Festival, and we must raise the remainder of our funding each year. Our loyal group of Friends plays a vital part in allowing us to support young emerging artists/ensembles and continue to bring the very best of music and musicians to the Scottish Borders communities.
